

The image shows the exterior of a restaurant or cafe. The building features a combination of brick and stone masonry. Large windows with white frames are visible, some reflecting the street. Red and blue awnings extend over the entrance area. In the foreground, there is an outdoor patio with dark wicker furniture, including tables and chairs. A black metal railing runs along the edge of the patio. A large white planter with purple and pink flowers is in the lower left corner. The overall scene is brightly lit, suggesting daytime.
